World Map for Children's Center

If you are willing we would like to have your name and where you are from on our world map. This information is just for the map purposes. We have families from many different countries and many don't even know that there are others from their country.

Name _____ Class Room _____

_____ I would not like to have our information up on the world map. Stop here and hand back to the front desk. We will not ask you again if we get this back.

_____ I agree to have our information on the map.

It is our plan to have one push tack on each country. Then from the tack we will have a string going to a list. This list will have the family's name and their town & country that they lived in. Families can list any amount of towns and countries that they have lived in.

We will be including staff and the families in our center.
