The UNL Children's Center is open year round. Once your child starts at the Center, you are required to pay for every week of care regardless of attendance, holidays, snow days, or teacher training days. You will receive two weeks of vacation per calendar year. One of these weeks can be taken at your leisure, the other one is required during UNL's Holiday shut-down, which is typically the last week of December. You are required to give the UNL Children's Center a two-week notice upon termination of care and cannot use vacation as one of these two weeks.
